

# Fleetwood Evolution E3 Water Tank Fill Line Repair Replacement

Water Tank Fill Line from spout to the water tank itself.

Written By: Phillip

## INTRODUCTION

The 2008 Fleetwood Evolution Series E3 trailer replacement of the fill line that goes from the water tank spout to the water tank.

### TOOLS:

- [flat head & philips screw driver](#) (1)
- [Cutting Plier](#) (1)
- [Utility Knife](#) (1)
- [10mm Hex Socket](#) (1)

### PARTS:

- [5 ft Fresh Water fill hose](#) (1)
- [Steel Hose Clamp 1 1/4"](#) (1)

**Installation Tip:** Put a ring of silicone on the inside of the fill hose and clamp. Allow the silicone to dry for 24 hours before filling.

To reassemble your device, follow these instructions in reverse order.
