

Samsung Galaxy J3 Mission Back Cover Replacement

How to replace the back cover for the Samsung Galaxy J3 Mission.

Written By: Joseph Toth

INTRODUCTION

Removing the back cover should be the very first thing that you do. This is how you access the battery, SD card, and SIM card. Without taking off the back cover, it is impossible to access other components of the device.

TOOLS:

- [iFixit Opening Tool](#) (1)
-

Step 1 — Back Cover

- Insert your fingernail into the back cover removal slot and gently pull back until the cover pops off.

To reassemble your device, follow these instructions in reverse order.
