

Lenovo IdeaPad N586 Wifi card Replacement

Written By: Christopher

TOOLS:

Phillips #1 Screwdriver (1)

Step 1 — Battery

• To unlock the battery, flip the laptop over so that the bottom is facing upward. Then unlock the left clip by pushing the clip to the left.

Step 2

• Now push the right clip to the right and hold it while using your other hand to pull the battery out.

Step 3 — Back Panel

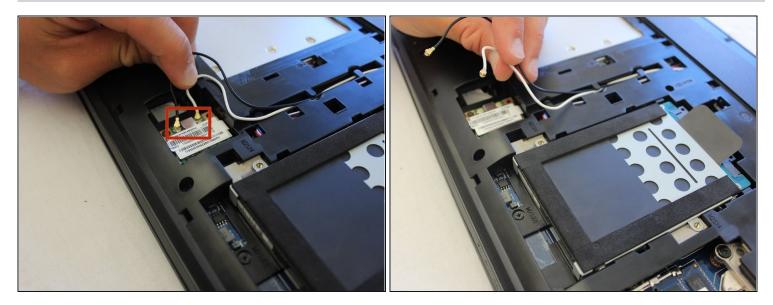

• Remove the two screws highlighted.

Step 4

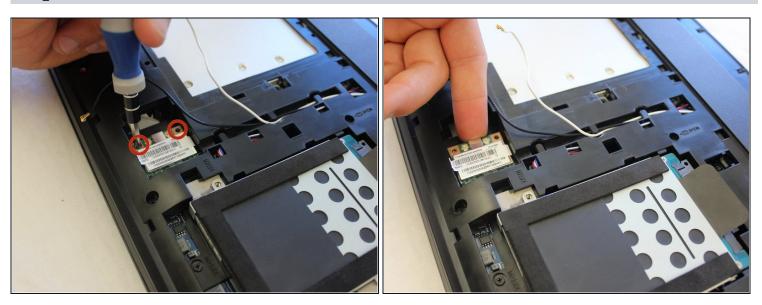

• This is the back of the laptop with the cover removed.

Step 5 — Wifi card

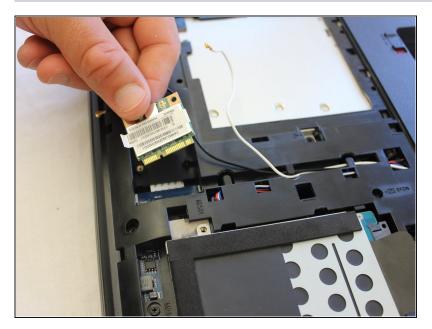

• Remove the white and black wires.

Step 6

• Next, unscrew the wifi card

Step 7

• Pull out the wifi card.

To reassemble your device, follow these instructions in reverse order.
