INTRODUCTION

This guide will teach you how to remove the devices treads, which cover the wheels and replace them with new ones.

⚙ **PARTS:**

- 2 Replacement Treads For Models 120 (1)

This document was generated on 2020-11-26 12:43:33 AM (MST).

Step 1 — Treads

- To remove tread simply pull tread off of front wheels (on the auger side) and then slide the treads off of the rear wheels

To reassemble your device, follow these instructions in reverse order.
